

**BEAVER AREA SCHOOL DISTRICT
ATHLETIC OFFICE**

The Athletic Department (grades 7 - 12) is governed by the Pennsylvania Interscholastic Athletic Association (PIAA). As a voluntary member of PIAA, Beaver agrees to abide by all of the rules of that organization. Beaver will very carefully check the circumstances of all new students enrolling in the District and will strictly adhere to the intent of the by-laws of the PIAA. Failure to do so could jeopardize the student's athletic eligibility as well as put at risk a team's chances of participating in PIAA playoffs and championship events.

As a result of the detail that must be covered when a student-athlete changes schools, all students transferring into Beaver in grades 7 - 12 who have any intention of participating in athletics before graduation must schedule an interview with the Athletic Director prior to gaining athletic eligibility. Once the registration process has begun, all prospective new student-athletes and their parents should arrange for a meeting by calling:
