Student's Name: _____ **Grade:** _____

Homeroom Teacher: _____

Instrument:

Please choose from the list in this packet. While we hope to connect every student with his or her first choice instrument, it is also our goal to develop a balanced "team." If your child has an interest in a second instrument, please indicate it below.

** For fifth grade band, there are a limited number of spots available for **percussion**, so please turn in this form promptly if you would like to be considered. Prospective percussion students are encouraged to list a second choice.*

My **first** instrument choice: _____

My **second** instrument choice: _____

Our presentation about beginning an instrument is Tuesday, September 11, at 7:00 PM, in the music rooms. This is the best time to get information about renting an instrument as well as many other aspects of our programs. However, if you are unable to come that evening, please contact us so that we can send information home.

Important Information about Instrument Loans:

The Beaver Area School District has instruments that can be borrowed for the school year. Please talk to Mr. Scanga (Band) or Mrs. Graham (Orchestra) about the terms and responsibilities involved in using a school instrument. Please don't let financial need keep your son or daughter out of the band or orchestra programs. We can help! Lessons are provided free of charge.

_____ I know that I cannot come to the Information Night. Please send the instrument packet home and check in with my child at school.
