

Addition Top-It!

Number of Players: 2 or more

Materials Needed: Deck of Standard Playing Cards

Directions:

1. Shuffle the cards and place face down in the middle of the players.
2. Each player draws TWO cards and adds the numbers to find the total.
3. The player with the higher/highest total gets to keep the cards.
4. Continue playing until the deck is gone.

Special: If your totals are equal, set those cards aside to play another round. The winner of that round gets ALL of those cards.

Winning the Game: The player with the most cards wins the game!

Alternate Game Play Options:

- Draw THREE cards on each turn and them all up!
- Draw two cards and SUBTRACT to find the difference between the numbers. Remember that you must start with the higher number. The player with the smallest difference gets to keep the cards.
