

Module 3 – Topic D– Lesson 13

R
e
a
d

Use clay and create a cup that could hold just enough milk for a little kitten to drink

D
r
a
w

Draw a picture of your clay cup.

W
r
i
t
e

Show your cup to a friend. Do you think your cups would hold the same amount?

Module 3 – Topic D– Lesson 14

R
e
a
d

Use clay and make a bowl that can hold a strawberry. Then, make a little vase for a tiny flower.

D
r
a
w

Draw a picture of your bowl and vase.

W
r
i
t
e

Which one do you think would have more capacity? (the bowl or the vase)

Module 3 – Topic D– Lesson 15

R
e
a
d

Use clay and make a container that is large enough to hold your 10 beans.

D
r
a
w

Draw a picture of your container.

W
r
i
t
e

Did your 10 beans fit in your container or was there room for more beans?

Module 3 – Topic E– Lesson 16

R
e
a
d

How many linking cubes does it take to cover up a playing card?

My guess:

D
r
a
w

Draw your playing card.

W
r
i
t
e

How many cubes did you need?

Was your guess correct?
