HOME LANGUAGE SURVEY

Used to determine a primary or home language other than English

Instructions: At registration, please ask all parents or guardians the following questions about the language use of the child. When appropriate, the child may answer the questions. If **one** of the answers is a language other than English or the country of origin is other than the United States, contact the Beaver Area Director of Student Services or the Curriculum Specialist at the Beaver Valley Intermediate Unit. Otherwise, the student is considered English language proficient and no further action is needed. A copy of this survey shall be placed in the student's permanent folder. Please type or print all responses to the following questions/statements:

According to the Office of Civil Rights, all schools must identify any student whose dominant language is not English. In Pennsylvania. The Home Language Survey will be used statewide for this identification.
