

I have... Who has?

FUNdations

Level 1

Trick Words

By: Teaching Elementary With Katie Nicole

Thank you for downloading!

You will find 93 “I have... Who has?” cards included in this purchase. All trick words for FUNdations Level 1 are included.

You can give students more than 1 card, or choose 25 (or however many students you have) cards in consecutive order and pass them out to your students. Students go around the room reading their cards until you come to the first word that you started with or until you come to the last card you are using.

Enjoy using this game with your students! Check out my many other FUNdations inspired products 😊
