

Kindergarten Extension Learning Plan -- Week of May 11, 2020

Name:

If your child has mastered the work on the original Kindergarten Learning Plan and you would like to try these skills with more challenging words or activities, please help yourself to the plan below. This plan may not be for everyone and you can pick and choose from this plan what you want to do; these are all optional.

Optional Learning- Extensions

Reading: This week we are going to focus on **Cause and Effect**. Our whole world is full of cause and effect!!

- Watch this [video](#) to learn what cause and effect is.
- Here's a [poster](#) to help you remember what cause and effect mean.
- If you have the book *If You Give a Mouse a Cookie*, sit down with someone and read it. If you don't have the book, give it a listen [here](#).
- Match these [causes with the effects](#) from the story *If You Give a Mouse a Cookie*.
- Now that you're really good at cause and effect, you can try to match [these cards](#) for a little more practice.

Sight Words:

1. letters
2. mother
3. found
4. still
5. learn
6. should

Fundations:

→ Each day, click on the link to listen to a sentence. Then write the sentence with me.

[Monday](#)

[Tuesday](#)

[Wednesday](#)

[Thursday](#)

[Friday](#)

Math: How about we grow our brains some more!

- Practice [adding to 10](#) using ten frames and pictures
- Cut and paste [addition practice](#)
- A fun addition game called "[Flying On With The Number Line](#)"

Writing: Check out the science lessons on the Teaching Resources document to learn all about habitats. Then click on the resources below to learn more about some amazing animals and write your very first animal research report. Don't forget, when you're writing:

- Capital at the beginning
- Spaces in between your words
- Thought stopper at the end

1. Read through these [super cool animal facts](#) and then fill out the graphic organizer about your favorite animal.
2. Use [Pebble Go](#) to research your animal even more! Watch the cool videos and look at the pictures about them.
Username: square
Password: read
3. Take ALL the information you just learned about your favorite animal and write it into this [animal research report](#).
