## Directions:

1. Please use these activities as extra practice and enrichment for distance learning.
2. If you have a printer, feel free to print and mark your activities to send to your child's teacher with their weekly learning plan.

1 Play outside with a trusted adult. Play a game like tag or play pretend. Use your imagination!	2 Write a list of words that rhyme with can.	3 Teach someone a song or chant you learned at school. What song did you teach them?	4 Practice adding numbers using objects. Can you add groups of shoes? Groups of toys?
5 Write your sight words in finger paint or shaving cream.	6 Pick some food items to compare. Which food is the longest, shortest, heaviest, and lightest?	7 Pick a number that is greater than 10 and less than 20. Write the number, show it in 10-frames, and draw that many objects.	8 Practice subtracting (taking away) numbers while you eat a snack.  Example: 6 crackers take away 1 equals 5 crackers (6-1=5).
9 Practice tying shoe laces.	10 Search for words that begin with digraphs (sh, th, wh, ch). What words did you find?	11 Do you like flowers? Tell at least 2 reasons to support your answer.	12 Practice writing and reading CVC words like cat, gum, red, etc.
13 Search for sight words on TV commercials or in a magazine. Which words did you find?	14 Play I-spy with 3-D shapes (cone, cylinder, sphere, and cube). Describe the shapes using their attributes.	15 Help a grown up put dishes away. Help sort the silverware. How many spoons did you put away?	16 Write a list of things you want to do over the weekend.
17 Tell someone your phone number. (Your parents' cell phone numbers work, too!)	18 Make 3-D shapes (cone, sphere, cylinder, cube) out of play dough or clay. Which shapes slide? Which shapes roll?.	19 Find some nickels and practice counting by 5s. How much money do you have? Try the same thing with dimes and count by 10s!	20 Write a story about something fun you did this month.  Remember to use spaces between words, correct capitalization and punctuation!
