LOOK WHAT OUR AMAZING TEACHERS ARE UP TO!

English teachers Heather Bixler and Aimee Firmani presented a lecture entitled "Lighting a Scaffolded Path from Division and toward Empathy, Understanding, and Action" at the 2022 National Council of Teachers of English (NCTE) Annual Convention that was held on November 17-20 in Anaheim, California. Proposals underwent an extensive peer-reviewed process, with each being considered by at least four different reviewers.

Tom Driscoll applied for and received a \$5,000 grant from NGPF (Next Gen Personal Finance). NGPF is a non-profit dedicated to the promotion of Financial Literacy for students. Mr. Driscoll plans to use the funds to purchase needed supplies to enhance the real-world applications of the class.
