## Quick Writes

Check your work!

Look with your writer's eyes!

My sentences have capital letters. (Capitalization)

(Use capitals at the start of each sentence, and for names...no others please!)

My sentences is a complete thought. (Structure)

(Use words from the question to begin your answer. Read each sentence aloud to see if it makes sense.)

My answer matches the question. (Content)

(Answer all parts of the question with details when possible. If they ask why, you say because. Re-read your final answer to make sure it makes sense.)

I used my best handwriting. (Neatness)

(Use proper letter formation and bump the correct lines. Make sure you have spaces between your words.)

I used my best spelling. (Spelling)

(Tap out your words the best you can. Look back to copy the correct spelling of words included in the question. Remember your Foundations rules!)

My sentences have end marks. (Punctuation)

(Make sure you have included your period, exclamation point, or question mark for each sentence!)
