It was moved by Mr. Wilson and seconded by Ms. Belanger to approve the meeting minutes of July 14, 2015 as written. Motion was carried unanimously.

III. OLD BUSINESS

Mr. Reilly stated he would be providing information to maintenance, custodial, and cafeteria staff concerning Tetanus and Hepatitis A & B vaccinations.

IV. NEW BUSINESS

A. Mr. Reilly distributed a "General/Office Inspection Checklist" prepared by the Stanford University Environmental Health and Safety Department. The checklist, while not completely relevant or appropriate, provided a useful guide for developing a checklist to be used by teachers in classrooms and administrators in office areas. It was determined the list should be edited to meet district needs and reviewed by administrators/supervisors before being distributed to teachers for completion.

V. ADJOURNMENT
